Author's Guidelines

AUTHOR'S GUIDELINES FOR MANUSCRIPT PREPARATION

Author's Guidelines (Instruction to Authors)

The authors are requested to prepare their manuscripts as per the instructions or specifications given below. It should be noted that the review process is solely depend upon the significance of the work and the care used by authors to represent it, in the form of their manuscripts. Therefore, authors are strongly encouraged to read these instructions carefully before preparing/submitting their manuscript for publication.

MANUSCRIPT CATEGORIES:

1. Full length research papers
2. Review articles
3. Short communications
4. Letters.

Please read the following instructions carefully and for any questions, please contact at [**editor@pharmaresearchlibrary.com**](mailto:editor@pharmaresearchlibrary.com)

Page format: Manuscripts should be prepared as word processing documents on A4, or Letter size paper, leaving a liberal margin (2 cm) on all four sides. The manuscript should be typed double-spaced throughout including references and tables. All figures and tables should be in the text and one additional copy given on a separate page.

Fonts: Times New Roman and font size should be 12.

Tables: Tables should be numbered consecutively using Arabic numerals and should be in the text itself and should have an explanatory caption that should be as concise as possible.

Figures and images: The figures and images should be clear, easy to read and of good quality. All the figures/images must be in the text and be numbered with Arabic numerals.

The manuscript should be in the following order:

Title page

Abstract

Keywords

Introduction

Materials and Methods

Results and Discussion

Conclusion

Acknowledgements (if any)

References

Title page

Title (short title)

The title should be relatively short but informative. If a long title is necessary, please prepare an optional short title.

Name(s) of author (s)

A list of all authors of the paper should be prepared. It should contain full name.

Name and address of workplace (s)

Authors' affiliations should be indicated in this section. Either endnote or footnote (endnote recommended) can be used to present additional information (for example: permanent, adequate postal addresses).

Personal e-mail address (es)

At least one e-mail address is needed. It will be used as the corresponding author's email address in all contacts with the authors.

Abstract

An abstract must accompany every article. It should be a brief summary of the significant items of the main paper. An abstract should give concise information about the content of the core idea of your paper. It should be informative and not only present the general scope of the paper but also indicate the main results and conclusions. An abstract should not normally exceed 250 words.

Keywords

List of all keywords proposed by the authors, separated by commas. Up to 5 key terms can be selected.

Introduction

It should present the subject of paper clearly, indicate the scope of the subject, and present the goals of paper, novelty of research work and finally the organization of paper.

Materials and Methods

Animals, chemicals and permission from animal ethical committee should be mentioned should be mentioned in the first paragraphs. Newly introduced techniques should be described in detail to allow easy repetition. Any modification should be mentioned briefly, with proper references. Techniques which have been previously described should be mentioned in brief only, with proper references, unless they were published in sources that are not easily accessible. The experimental part should be written in sufficient detail to enable others to repeat the authors' work. Chemical compounds should be named according to the systematic rules of IUPAC or Chemical Abstracts. Units and dimensions should be expressed according to the metric system and SI units.

Results and Discussion

It may be combined or kept separate and may be further divided into subsections. It should deal with the major findings and their explanation/interpretations.

Conclusion

It should represent the summary of the important findings.

Acknowledgements

Information concerning research grant support and the assistance of colleagues or similar notes of appreciation should appear in Acknowledgements section at the end of the paper.

References

The references should be cited in the text in **large brackets** not in superscript or subscript. A complete reference should comprise the following:

An article in a journal

Author's Initials Surname. *Journal*, **year**, volume, *issue*, page no.

MM Youle; DA Hawkins; P Collins; DC Shanson; R Evans; N Oliver; Lawrence A.
Lancet, **1988**, 2, 341.

A book

Author's Initials Surname. Title, Edition, Publisher, Place of publication, **Year of**

publication; page no.

RL Ashley. In Laboratory Diagnosis of Viral Infections, 3rd ed., Marcel Dekker, New York, 1999; pp. 489-513.

A thesis

Author's Initials Surname. MSc/PhD/DSc thesis, University (town, country, year of publication).

RJ David. PhD thesis, Edinburgh University (Edinburgh, UK, 1998).

Patents

Patents: AB Inventor1, CD Inventor, (Holder), Country Code and patent number
(**Registration year**).

Submission Checklist

The following items should be supplied:

1. Manuscript
2. Cover letter

Note: In Cover letter candidate should mentioned the name of the Journal under Pharma Research Library like to publish their paper.

3. Page limit for Review paper 3-5, for Research paper 5-10

Submission formats

Manuscripts should be submitted in the MS Word.

Submission of manuscript

The authors must submit their manuscript by email to:

submit@pharmaresearchlibrary.com

pharmaresearchlibrarygroup@gmail.com

Publication Charges:

600/- INR [for Indian authors], 25 USD [for authors other than India]

Note: The Life members of Pharma Research Library get the 40% reduction in actual publication fee, it is applicable for all Pharma Research Library Journals.

Registration fee of Life membership is for Indians **1500INR**, for other than Indians **100 USD** and Student Life membership for Indian Students is **600INR**, for foreign students **50 USD**

Publication fee is required to cover the cost of the processing, evaluation, publication and other expenses incurred. Payment can be made by bank deposit, online transfer, PayPal using credit card. Instruction for payment is sent during publication process.
